A NOTE FROM THE ADMINISTRATOR

Howard Sadler III

The staff at Landmark of Baton Rouge is excited about starting the New Year with you and your loved ones. Our housekeeping staff will be spring cleaning soon. While doing so, they will be cleaning out closets, nightstands and refrigerators. We will be checking for expiration dates and ensuring all opened food packages are properly stored. As a reminder, over the counter medications cannot be kept in the room without prior approval. In closing, my door is always open, so please feel free to stop by with any questions or concerns.

A Note From The Residents...

January was a very exciting month for the residents of Landmark of Baton Rouge. We would like to thank the staff at Landmark of Baton Rouge for a great year in 2011. We started our month off with a New Year's celebration, complete with hats, tiaras, leis, horns and ice cream cake! Our residents enjoyed donuts, cookies, cake, and many other food socials! We had a great smoothie social and delicious fresh fruit salad social this month. We went shopping to Wal-Mart and out to eat at Coffee Call! Our residents LOVE arts and crafts and we would like to thank Rebekah from Hospice in His care for volunteering once a week to bring crafts to our residents! We look forward to seeing what is in store for us in the month of February!

UPCOMING ACTIVITIES!

To bring in the New Year the activity department brought in new activities! In January one of our big projects was doing an indoor garden! Our resident will continue to take care of our garden and would like to add to it each month. New Year's resolutions usually include staying healthy so we have added a fruit social once a week to help our residents meet their goals. For Mardi Gras we would like to book a jazz band to come and play, we are asking for help with coming up with funds to book the band. In February we wish to keep all of our new activities and more! If you or someone you know will be able to help us with supplies for any of our socials or upcoming parties please contact Kayla or Ashlee.

We would like to dedicate this month's newsletter to those we lost month.

Our heartfelt sympathies to the families of:
